

DIN Rail Meter Enclosure Summary Sheet

This DIN Rail enclosure, available in 6 sizes, from 4 to 36 modules, has an IP66 rating making it suitable for both indoor & outdoor use. It has multiple knock-outs for access from the top & bottom, (side entry on the 4 module model), and the internal DIN rail can be removed to aid installation. It has 4 fixing points for sturdy mounting and a semi-transparent hinged door with a simple click to close mechanism.

Stephen P Wales supply a wide range of single phase and three phase DIN Rail meters. We can also pre-wire any CT operated meter into your enclosure, allowing for a simple, hassle free installation upon delivery.
