

Itron RF1 Gas Meter - Summary Sheet

Summary

The RF1 Gas Meter is manufactured by Itron, one of the world's leading providers of utility metering. Perfect for residential and small commercial applications, this MID approved meter displays gas consumed in m³ on its 8-digit roller dial display, (3 decimal places).

Product Code	GMITRF1
Max Flow Rate	6m³/h
Connection	25mm (1")
MID Approved	Yes
Output Type	Mbus
Availability	Next Day

This is a diaphragm style meter which operates on the principle of pneumatic control. This guarantees low noise, high accuracy and long-term stability.

This model is supplied complete with an Mbus cyble allowing consumption data to be output to a Building Management System or in conjunction with your MeterPay electricity meter for a multi-utility prepayment metering solution.
