

Secure Liberty 100 with MeterPay - Summary Sheet

Introducing the Secure Liberty 100 with MeterPay, The Smart Solution to Secondary Prepayment.

MeterPay offers landlords and building managers a smart solution to prepayment, enabling easy management of all their meters in one secure online portal. Payments are made online or by phone, with funds being distributed directly to the building owner.

Benefits to landlords include:

-  The most secure prepayment solution.
-  Simple remote meter management.
-  No more coin collection.
-  No more card distribution.

Benefits to tenants include:

-  Online or telephone payment option.
-  Automatic recharge function.
-  Usage data including consumption charts.

MeterPay requires an ongoing subscription to support the service. The subscription can be paid monthly, quarterly or annually, [click here](#) for more details.
